

FREEZER CABINET 700

Art.-Nr. 329199 / EAN 4064801002669 / Preis gemäß Preisliste

FEATURES:

- ✦ made of stainless steel
- ✦ digital temperature display
- ✦ designed to work in ambient temp. up to +40°C
- ✦ forced air refrigeration system
- ✦ ecological refrigerant R290, GWP=3
- ✦ freezing monoblock unit
- ✦ evaporator with anti-corrosion coating
- ✦ automatic evaporation of condensate
- ✦ automatic and manual defrosting
- ✦ polyurethane insulation 60 mm
- ✦ removable rails supports
- ✦ designed for GN1 /1 or GN2/1 containers/shelves
- ✦ removable, magnetic door gasket
- ✦ non-contact condenser fan switch after door opening
- ✦ self-closing door up to <90°
- ✦ integrated door handle
- ✦ recessed freezing chamber's bottom
- ✦ heated door frame
- ✦ height adjustable stainless steel legs
- ✦ maximum shelf load: 30 kg
- ✦ maximum load: 150 kg
- ✦ cabinet weight: 125 kg
- ✦ power supply: 230V/50Hz
- ✦ internal temperature: -14 ÷ -20°C

STANDARD:

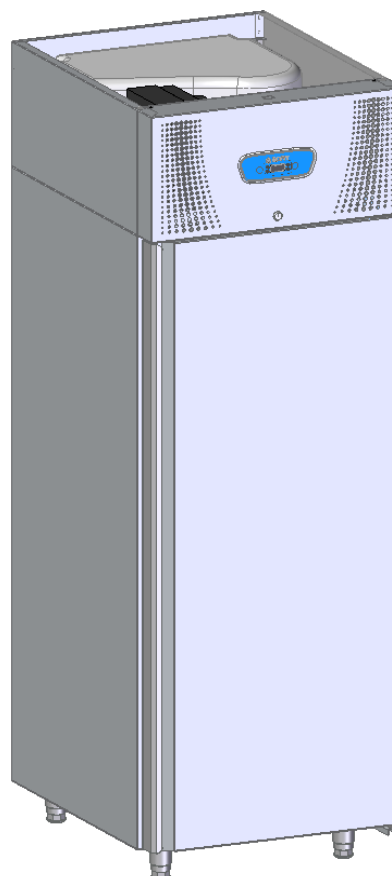

- ✦ 3 plastic coated slatted shelves GN2/1
- ✦ 3 sets of rails (fit shelves and GN containers)
- ✦ door lock

OPTIONS:

- ✦ LED lighting
- ✦ door alarm
- ✦ temperature recording system
- ✦ castors

ADDITIONAL EQUIPMENT:

- ✦ stainless steel shelves GN2/1
- ✦ bakery trays rails

PRODUCT CODING SYSTEM

Standard

- V** fully stainless steel, adjustable feet
- T** fully stainless steel, on castors

Depth of the product (dimension B)

- G** 895 mm

Width of the product (dimension A) [cm]

Lighting

- 0** without
- 1** with

Controlling and monitoring

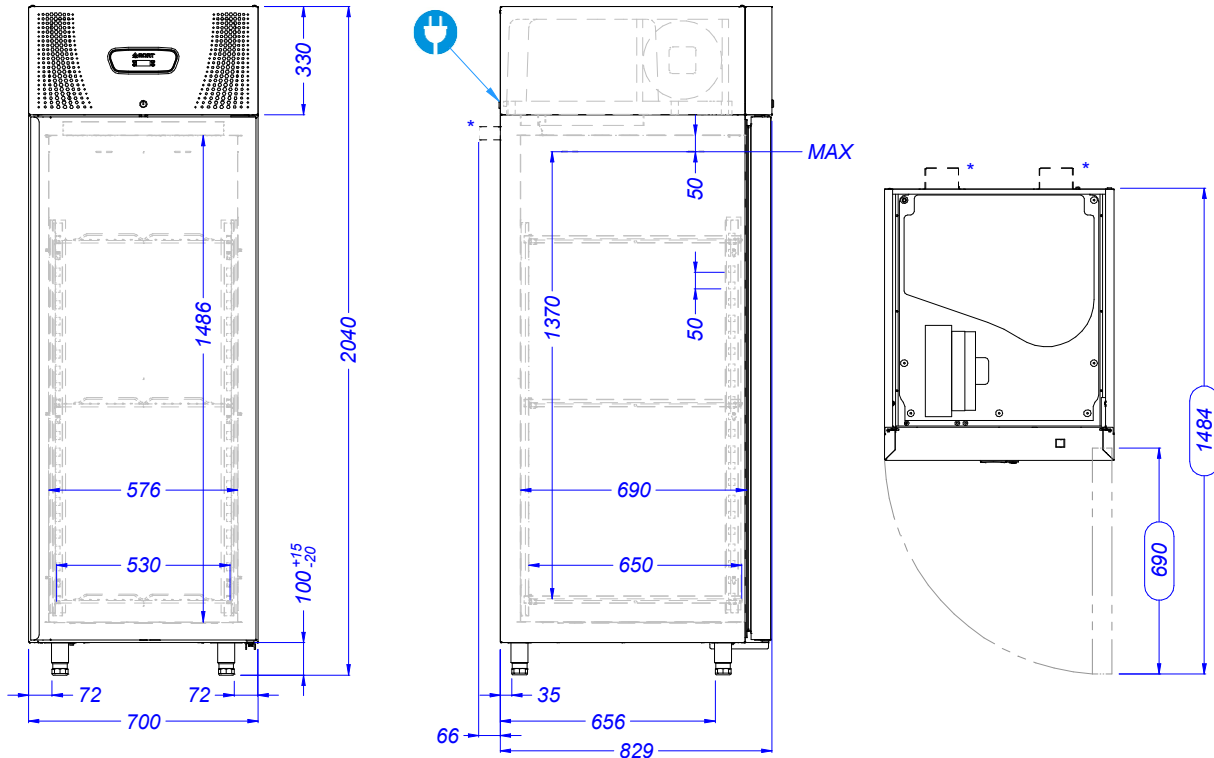

- 1** digital display
- 2** digital display + door alarm
- 3** digital display + door alarm + temperature recording system

Compressor

- 0** to be connected to remote compressor
- 1** integrated

Doors

- R** solid with lock; right hand hinged door

*the handle for carrying the cabinet, the possibility of disassembly and moving the cabinet to the wall
