

GAS TILTING BRATT PAN LINE 700

Art.-Nr. 329215 / EAN 4064801002829 / Preis gemäß Preisliste

BASIC FEATURES:

- ✦ appliance body made of stainless steel
- ✦ pan bottom made of DUPLEX stainless steel
 - very good thermal conductivity and temperature distribution over the entire surface of the
 - increased corrosion resistance
 - universal solution for dishes that require frying and stewing
- ✦ smooth temperature adjustment
- ✦ thermal pan's overheating protection
- ✦ battery powered piezo-electric igniter
- ✦ easy and comfortable cleaning
- ✦ manual tilting mechanism for easy pan's emptying
- ✦ lid with ergonomic handle
- ✦ water filling of the pan by a push button and integrated tap

GP2151-080EV+S00

TECHNICAL DATA:

Model	GP2151-080EV+S00	
Material of pan bottom	Duplex	
Width	[mm]	800
Depth	[mm]	730
Height	[mm]	850
Cooking surface	[mm]	705x463 (0,33m ²)
Dimensions of the pan	[mm]	705x463x195
Pan's capacity	[L]	60
Temperature adjustment range	[°C]	120-280
Gas type	G20; G25; G25.3; G2.350; G27; G30/G31	
Power	[kW]	16
Gas connection	G½"	
Water connection	G½"
