

ENCLOSED GLASS GANTRIES

FEATURES:

- ✦ designed to work with DROP-IN equipment, self-service lines, buffets etc.
- ✦ made of tempered glass and polished stainless steel
- ✦ 6 mm tempered glass (curved glass gantries) and 8 mm tempered glass (squared glass gantries)
- ✦ 1-tier and 2-tier versions available
- ✦ two types of support available:
 - 60x32 mm oval support
 - Ø 25 mm round, double support
- ✦ gantries with efficient LED lighting
- ✦ gantries with halotherm infrared halogen lamps
- ✦ gantries with LED lighting or halotherm infrared halogen lamps:
 - power supply 230V
 - 2 m power supply cable 3x1,5 mm² without plug
- ✦ in 2-tier gantries the LED lighting or the halotherm infrared halogen lamps are mounted under the bottom shelf
- ✦ also available in a version **with side glass (DN3 models)**, in 2-tier gantries, the side glass is available only for the lower level
- ✦ the unit is designed for self-assembly
